

Standard Exhibitor Booth Example

- *Each standard exhibit booth is 10'L x 10'W x 8'H.*
- *A standard booth includes (1) table, (2) chairs, (1) trash bin, and (1) 120v/20amp electric outlet.*
- *This is a sample picture. The colors of chairs, drapes, table and trash-can will be different from what is shown in picture. Carpet is not included in the basic booth package.*
- *Exhibitors who have multiple booths may opt to eliminate side walls between their booths. If you prefer not to have side walls, please indicate your preference in the partner portal by December 31st, 2011.*
